## 4 Digital Inputs / 2 Digital Outputs DIRIS Digiware IO-10

### Strong points

- Plug & Play
- Multifunction
- Connected
- Compact

### General characteristics

Plug & Play: add versatility to your system with digital and analog input/output functionality

Easy to integrate to an existing DIRIS Digiware system

Compact to address space constraints inside electrical panels

### Compliance with standards

UL 61010-1, CSA-C22.2 No. 61010-1,  
Guide PICQ, File E257746  
IEC 61557-12

DIRIS Digiware IO modules give more versatility to the DIRIS Digiware system. DIRIS Digiware IO-10 modules have 4 digital inputs and 2 digital outputs. The digital inputs can be used to monitor the status of third-party devices such as the physical position of a protective device (ON/OFF, trip), or to collect and count pulses from multi-utility meters. The digital outputs allow the remote control of protective devices by sending a binary output signal. Alarms from other DIRIS Digiware modules (U, I, S etc.) can be assigned to the IO-10's digital outputs to send signals upon specific conditions (high measurement for example) for additional actions and visibility.

DIRIS Digiware IO-20 modules have 2 analog inputs used to collect analog signals from external sensors (pressure, humidity, temperature...).

Fill rate E-Order Common	33
Fill rate E-Order Selection	33
Certificates and Declaration	
Conformity to standard #1	UL 61010-1 Guide PICQ File E257746
Conformity to standard #2	CSA-C22.2 No. 61010-1
Conformity to standard #3	ISO 14025
Conformity to standard #4	IEC 61557-12
Proposition 65 California	WARNING This product can expose you to chemicals including bisphenol A (BPA), which is known to the State of California to cause birth defects or reproductive harm. For more information go to : <a href="http://www.P65Warnings.ca.gov">www.P65Warnings.ca.gov</a>
Standards	
Conformity to standards	IEC UL
Certificates and Declaration - Safety	
UL file number	E257746
Technical Characteristics	
In/out	4 digital inputs / 2 digital outputs
Model	IO-10
Type	Digital input module
Technical Characteristics - Environmental	
Operating temperature	-4 ... +122°F / -20 ... +50°C
Storage temperature	-40 ... +158°F / -40 ... +70°C
Technical Characteristics - Measurement	
Number of Digital inputs/outputs	4 inputs/ 2 outputs
ETIM - Technical features	
Type of accessory/spare part	Other
Accessory	No
Spare part	No
Logistics	
GTIN/EAN	3596032912932
Customs number	9030900000
